

AMERICAN LANGUAGE & CULTURE

MICHIGAN STATE UNIVERSITY | SUMMER 2018

AMERICAN LANGUAGE & CULTURE PROGRAM OVERVIEW

This program will give students the opportunity to improve their English proficiency significantly through participating in coursework in American culture and society.

During the first two weeks of the program, students will participate in enriching coursework at Michigan State University. In past years, coursework has included American food and cuisine, American politics and identity, and student life in the United States.

Outside of the classroom, students will participate in social and cultural activities including professional development seminars, a baseball game, picnic BBQ, and more.

PROGRAM FEATURES

The American Language & Culture program is administered by the American Semester Program and the Global Studies in the Arts and Humanities Program.

In this program you will:

- Receive 24 hours of instruction at a top 100 global university
- Have access to professional career services and academic advising
- Improve your spoken and written English

- Interact with MSU students and faculty
- Take part in day trips to Detroit, MI and the Lansing areas
- Visit various MSU facilities across campus
- Experience true American culture by visiting famous locations, such as Niagara Falls, Washington D.C. and New York City

EAST COAST TOUR of the USA

The final week of the American Language & Culture program includes an East Coast Tour of the USA.

Participants will experience the natural beauty of Niagara Falls, the hustle and bustle of New York City and the political and cultural history of Washington D.C.
